

OVCTA Jean Moyer Clinic
The Best of the West Comes East!
March 5-6th, 2011

Firefly Farm, 100 Johns Rd, Glenmoore, PA

Jean Moyer ("The Jean") is famous for her communication skills and extraordinary ability to connect with every level of horse and rider, from right off the track, or first time on a pony, to USPC "A" rating, to international competition in both dressage and eventing. She coached Area VII NAYRC teams for 12 years, and produced both individual and team gold medalists. Jean has her British Horse Society's Instructor's rating and is a Canadian Level III instructor. She is very popular, doing 30-40 clinics a year, as well as teaching and coaching.

She is renowned for her remarkable eye which allows her to identify problems immediately. Her sympathetic and supportive style provides corrections that boost both horse and rider confidence and capability.

Jean is "uplifting" and "fills my lessons with humor, sage advice and encouragement"

-Hanna Roberts, Peninsula Pony Club

OVCTA is extremely lucky to arrange a clinic with someone so knowledgeable and who is such a great teacher. Everyone of any level should ride with her. If it is absolutely impossible to ride, then you must audit, because this is an opportunity not to be missed"

-Bruce Davidson, international competitor
